

IDEALAB

The Idea Lab, Central Library's new 5th floor studio space, is a place for Calgarians to meet, share ideas and collaborate. It's the ideal spot to come up with new ideas and solutions for your next business or creative project!

You'll find whiteboard walls, prototyping tools, design-thinking exercises, and fun technology in the Idea Lab, along with an Epson BrightLinks Touch Screen Projector and a Smart KAPP board so you can easily share and record your ideas.

The Idea Lab can accommodate up to 25 people, with mobile furniture that easily transforms the space to suit a variety of brainstorming activities.

Book the Idea Lab for your next community collaboration session. The Idea Lab is freely available to the Calgary public. You can book the Idea Lab with your free Calgary Public Library Card at: [Calgarylibrary.ca/book-a-meeting-room/](https://calgarylibrary.ca/book-a-meeting-room/)

Thank you to the Idea Lab's founding community members and to all the organizations and individuals who contributed to this innovative space!

Idea Lab Coordinator
