GOING TO KINDERGARTEN!

Starting school is an exciting time in your child's life. You can help your child to be prepared by sharing stories together. You'll discover many things to talk about in these picture books - from getting ready for the first day to exploring what happens at school. These stories will help introduce your child to kindergarten where learning and fun go together!

Discover more stories by participating in the library's free pre-school story time programs. For information about locations, schedules and registration, please visit the Library website at winnipeg.ca/library or pick up a copy of the library newsletter, *At The Library*, available at all branches.
